5

Many turtle species are in danger because of plastic rubbish in our oceans. Turtles mistake plastic bags for their favourite food - jellyfish. They can get tangled, choked, strangled or starved by rubbish.

FIND-A-WORD

Find the words below. They could be backwards, forwards, diagonal or downwards. Do you know what all these words mean? Try and find out.

- | | | | |
|-----------|----------------|-------------|-----------|
| ECOSYSTEM | CORAL | REEF | SEAGRASS |
| KELP | HABITAT | ENVIRONMENT | POLLUTION |
| PLASTIC | GLOBAL WARMING | ENDANGERED | SPECIES |
| SEABIRD | TURTLE | LEATHERBACK | SEAHORSE |
| PETREL | BARRAMUNDI | GROUPEE | DUGONG |
